Old Athens Grill or As many call it "OAG" is a product of two southern guys traveling Greece and finding a love for Greek cuisine. "You're crazy" and "this isn't going to work" soon turned in to over 68,000 gyros sold in the first year. Apparently putting a southern twist on Greek standards is a hit and not so crazy after all! If you are looking for a unique meal in a unique environment, well my friend you found the right spot. So, Sit back, relax and enjoy your experience at Old Athens Grill. And yes we do mix Pepperjack cheese with gyro meat and bbq sauce with feta cheese. If you don't already know what to order, OAG is the official home of the Pepperjack!!*
